Agenda Notes for the 1st Meeting of the Oversight Committee

Agenda – I

Power Point Presentation on National Medicinal Plants Board sanctioned projects

National Medicinal Plants Board, Ministry of AYUSH, Government of India has approved four project proposals to Karnataka State Medicinal Plants Authority. Power point presentation on below mentioned projects will be presented before the committee.

1. Establishing of Institutional Herbal Garden (100 ha)
2. Establishing 500 Herbal Gardens in Residential schools run by Karnataka Residential Educational Institutions Society, Government of Karnataka
3. Conducting four division level and one state-level consultative workshops to review and synergize the activities of stakeholders working in medicinal plants sector in the state of Karnataka
4. Community training program on conservation and sustainable use of medicinal plants resources in 17 MPCA in Karnataka
5. Agro-Climate Zonewise Buyers-Sellers Meet, Farmers Meet, Medicinal Plant Field Day/Stakeholders Meet, Cultivation-Awareness program and State level Buyers-Sellers Meet

Agenda -II

Presentation of draft MOU between KaMPA and Karnataka Forest Department for the Public Herbal Garden

The chairman of the Project Screening Committee suggested to have an MOU with Karnataka Forest Department for the successful implementation of Public Herbal Garden project and submit an undertaking stating that the proposed land will not be diverted for any other purpose in the future. With these suggestions the project screening committee gave principal approval for the project. To fulfil the condition put forth by committee and for successful implementation of the project a draft MOU has been prepared and put up for discussion and suggestions of the committee.

Presentation of MOU between KaMPA and KREIS for School Herbal Garden

Like **Public Herbal Garden** project, the PSC had suggested to have an MOU between Karnataka State Medicinal Plants Authority and Karnataka Residential Education Institutions Society, Government of Karnataka for successful implementation of project on school herbal garden. Hence, draft MOU between KaMPA and KREIS is placed for discussion and inputs.

Agenda -III

Presentation of Annual Plan of Operation for sanctioned projects

Annual Plan Operation for all the projects encompassing the project period is placed for inputs.

Agenda -IV

Discussion regarding Strategy formulation, implementation, monitoring, review and reporting of NMPB sanctioned projects.

The committee is requested to provide inputs on strategy formulation, mode of implementation, monitoring, review and reporting of NMPB sanctioned projects.

- Project inauguration
- Criteria for selection of Tree Parks and Residential Schools for establishment of herbal gardens
- Selection of medicinal plant species for Public Herbal Garden and School Herbal Garden
- Different themes for setting up of herbal garden
- Different herbal garden layout plans for inputs
- Training Calendar of IEC projects
- Manual/guideline for conducting IEC activities

Agenda -V
